DEPARTMENT CONFIRMS ROAD ACCIDENT ON MASHASHANE ROAD

The Limpopo Department of Transport and Community Safety confirms that a serious motor vehicle accident occurred this morning on the road between Jupiter and Diana in the Mashashane area.

It is reported that a Toyota Quantum and a bus, both transporting learners, were involved in a collision.

Emergency services, including Polokwane Municipality's Fire and Rescue Services, were immediately dispatched to the scene and rescue operations are currently underway.

The Department is still gathering full details regarding the cause of the accident and the extent of injuries.

The Department will release full details of the accident once the next of kin and all relevant stakeholders have been informed.

Motorists are urged to exercise extreme caution in the area and where possible to avoid the scene to allow emergency services unhindered access.

Our thoughts are with the learners, their families and the school communities affected.
