MEC KEKANA WELCOMES APPOINTMENT OF NEW SAPS LIMPOPO TOP MANAGEMENT,
APPLAUDS LIEUTENANT GENERAL SCHEEPERS FOR STABILITY AND EXPERIENCE

The MEC for Transport and Community Safety in Limpopo, Ms. Nakedi Kekana, has welcomed the appointment of the new top management of the South African Police Service (SAPS) in Limpopo by the Provincial Commissioner, Lieutenant General Jan Scheepers.

The appointments, which take effect immediately, are aimed at strengthening crime fighting, improving support services and restoring stability in the province.

“On behalf of the Limpopo Provincial Government, we congratulate the newly appointed Major Generals. These are not new faces, they are experienced officers who have walked the beat, led operations and understand the challenges of Limpopo,” said MEC Kekana.

“We particularly thank Lieutenant General Scheepers for his decisive leadership in filling these critical vacancies. We wish Major General Sebola, Major General Mashava and Major General Mashilo all the best in their new responsibilities. Our communities are looking up to you to make Limpopo safe,” she said.

“To Lieutenant General Scheepers, continue to professionalize and to clean the SAPS in Limpopo. You have our full support,” said MEC Kekana.

The MEC will meet with the new top management together with the Provincial Commissioner next week to align the Provincial Crime Prevention Strategy and joint operations for the festive season.
